Ashbury Creek 2

The Pierre Ranch 1885SF

2 Bedrooms Up / 3 Bedrooms Down

Not your average open-concept floorplan! This Pierre offered by Nelson Builders is located on a walkout corner lot. The unique layout is centered on the stunning upgraded kitchen. That includes chefs gas cooktop and stainless hood vent, large pantry, hidden undercabinet outlets and LED lighting. Look over your large center island into the great room, with feature wall of custom cabinets, linear electric fireplace with long mantle, and ship lap from ceiling to mantle. Main floor laundry walks thru to the Primary closet and luxurious primary suite with walk-in shower and dual sinks and a decorative arch. The unique open staircase is adorned with windows beckoning you to head down into the spacious rec room complete with wet bar. You'll also find 3 more bedrooms, and $\frac{3}{4}$ bath with double vanity.
